Dear Examiner Khare:

As just discussed, we are very happy that you have decided to allow the application. Meanwhile, the applicant noticed some imprecision in claim 9 that we wish to clear up if possible. We understand that you will check whether an amendment at this time is possible in view of the fact that you have already given the case to your supervisor for allowance. If it is possible to amend the application at this time, please let us know.

Attached is a proposed amendment that shows the changes the applicant wishes to make.

As discussed, we will discuss the matter this Friday, September 16th.

Thanks in advance for your help.
